

*Community Action Poverty Simulation (CAPS)
Facilitator ~ Train the Trainer
August 9-10, 2011
Jefferson City, MO*

The Missouri Association for Community Action is pleased to offer Poverty Simulation Facilitator Training. This training is highly recommended for organizations using the CAPS kit.

The facilitator training will allow participants to become familiar with the components of the CAPS kits, the facilitation process and tips for conducting an efficient and effective simulation. Participants will also experience the poverty simulation on the first day of training. This will help your organization effectively utilize the simulation to educate your community about poverty.

The next Facilitator Training has been scheduled for:
